Attachments: Accompanying Statement explaining CPNI procedures.

Explanation of Magazine Telephone Company, Inc CPNI policy procedures:

The policy of Magazine Telephone Company, Inc. is to comply with the letter and spirit of all laws of the United States, including those pertaining to CPNI contained in § 222 of the Telecommunications Act of 1996, as amended, 47 USC 222, and the FCC's regulations, 47 CFR 64.2001-.2009. The Company's policy is to rely on the involvement of high-level management to ensure that no use of CPNI is made until a full review of applicable law has occurred.

The FCC's regulations, 47 CFR 64.2009, require the Company to implement a system to clearly establish the status of a customer's CPNI approval prior to the use of CPNI, and to train its personnel as to when they are, and are not, authorized to use CPNI, and to have an express disciplinary process in place. Magazine Telephone Company, Inc. has compiled a manual, which constitutes the Company's policies and procedures related to CPNI. All employees are required to follow the policies and procedures specified in this Manual. Magazine Telephone Company, Inc. employees have received training on these policies and procedures. Magazine Telephone Company, Inc. management has been trained to ensure that strict compliance to this Manual is achieved. Magazine Telephone Company, Inc. operating procedures ensure compliance with the CPNI rules, which include new carrier authentication requirements, a requirement to notify customers of account changes, and a requirement to notify both law enforcement and customers in the event of a CPNI breach.
